Hi Kristy,

The team of copyright experts that authored the white paper on Controlled Digital Lending have just published a FAQ that addresses file security. I believe your questions might be answered within the following: <https://controlleddigitallending.org/faq>

Please let me know if you have additional inquiries.

Hi Chris,

Thank you for meeting with Abe and me earlier this week. I am just following up to see if you were able to find a contact or information regarding the security measures around files storage?

Thank you,

Kristy
